

Eksempelbillede

## TEKNISKE DATA

Materiale Cu-DHP-kobber CW024A (EN 1412)

| Varenr.                                                                    | VVS nr.   | DN | d, ø<br>mm | arc<br>° | L<br>cm | L1<br>cm | L2<br>cm |
|----------------------------------------------------------------------------|-----------|----|------------|----------|---------|----------|----------|
| Disse produkter passer til system: <b>Geberit Mapress Kobber</b>           |           |    |            |          |         |          |          |
